Art Unit: 1752

2 The following is an examiner's statement of reasons for allowance: The prior art does not disclose adjusting peel times to increase gloss; and the examples in the specification show an unexpected change in gloss for a very small change in peeling times. The prior art cited by applicants has been considered; and the prior art cited in applicants' PCT application has been considered. Simpson et al. '283, Simpson et al. '319, Oldfield et al. and Simpson et al. '132 are cited of interest as disclosing protective layer transfer to dye images.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
